In response to a congressional request, GAO reviewed the competitiveness and long-term prospects for U. S. steam coal exports to European and Pacific Rim markets which use steam coal for electricity generation and industrial heating. GAO found that, although U. S. steam coal exports are expected to increase in volume over the long term, they probably will remain a small portion...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
