## THE PREGNANCY PROJECT

[DOWNLOAD PDF](#)

Simon Schuster Books for Young Readers, United Kingdom, 2013. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book. When Gaby faked a pregnancy to challenge stereotypes, she also changed her life. A compelling memoir from an inspirational teenage activist. Growing up, Gaby Rodriguez was often told she would end up a teen mom. After all, her mother and her older sisters had gotten pregnant as teenagers; from an outsider's perspective, it was practically a family tradition. Gaby had ambitions that didn't include teen motherhood. But she wondered: how would she be treated if she lived down to others' expectations? Would everyone ignore the years she put into being a good student and see her as just another pregnant teen statistic with no future? These questions sparked Gaby's high school senior project: faking her own pregnancy to see how her family, friends, and community would react. What she learned changed her life forever--and made international headlines in the process. In *The Pregnancy Project*, Gaby details how she was able to fake her own pregnancy--hiding the truth from even her siblings and boyfriend's parents--and reveals all that she learned from the experience. But more than that, Gaby's story is about fighting stereotypes, and how one girl found the strength to come out from the shadow of low expectations to forge a bright future for herself.
