Oxford University Press, United Kingdom, 2014. Paperback. Condition: New. 5th Revised edition. Language: English . Brand New Book. This best-selling Dictionary of Finance and Banking includes over 5,200 entries. The fifth edition has been fully revised and updated, and adds more than 150 new entries. These focus particularly upon recent terminology, institutions, and safety measures coined or introduced since the economic crash of 2008-9, including reactions to the crisis such as the Asset Protection Scheme and the Financial Stability Oversight Council. The dictionary defines terms from all aspects of personal and international finance, including money markets, private investments and borrowing, central banking, foreign exchanges, monetary policy, and public and government finance. Now with expanded coverage of capital structure and corporate restructuring. Recommended up-to-date web links for many entries, accessed via the Dictionary of Finance and Banking website, provide valuable extra information. With clear and accessible definitions, this jargon-free dictionary is a companion volume to the other financial titles in this best-selling series, *A Dictionary of Business and Management*, *A Dictionary of Accounting*, and *A Dictionary of Economics*, and provides accurate and valuable information for students, practitioners, private investors, and readers of the financial pages alike.
