Brand New Book ***** Print on Demand *****.Excerpt from Spy Proof America And the combined intelligence of these people have been concentrated upon one solid subject: To serve the crown; to wreck republicanism. These traitors come to our shores and bathe in our democratic friendship; they accept our hospitable consideration, yes - and to get still closer, deeper beneath our skin, they even marry our dear American Girl. But all crime must, sooner or later, pass through that wonder school, that labyrinthal gallery of wizardry, that magic glass of democracy - The American Press - and this self-same press will be the fairy God to my army of one-half million - the V. S. S.! There are in this country today, and spread throughout our entire land, one quarter of a million of foreign Spies! They breed their dupes where they can, and each succeeding convert to their heinous order will cultivate the criminal blood in another and advise it into a high state of lawlessness; desire on their parts to exceed each other in the open field of destruction has long since become...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
