When a boy and his dog are faced with the mysterious loss of their three kittens, they can only assume the worst. A KITTEN-SNACKING MONSTER! A Monster Ate My Kittens is an exciting new series sure to delight and capture your child's attention with fun rhymes and wild illustrations. This unexpected tale teaches kids that sometimes our worst fears are caused by our own imaginations! This lesson started as part of one American family's nightly bedtime routine. As kids, the three Koller Boys liked staying up late. They were always begging for just one more bedtime story! To keep them entertained, their father Kevin Koller began telling his own stories - soon becoming family classics! 30 years later, his son Nic Koller (now an artist/illustrator) passionately brings these beloved stories to life through his whimsical and engaging illustrations. A Monster Ate My Kittens is the first of this father/son duo's many books to be released to the public! And now, this fun, imaginative story can become part of your family's creative bedtime routine!.
