

## Entomology (Classic Reprint) (Paperback)

By Justus Watson Folsom

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Entomology This book gives a comprehensive and concise account of insects. Though planned primarily for the student, it is intended also for the general reader. The book was written in an effort to meet the growing demand for a biological treatment of entomology. The existence of several excellent works on the classification of insects (notably Comstock's Manual, Kellogg's American Insects and Sharp's Insects) has enabled the author to omit the multitudinous details of classification and to introduce much material that hitherto has not appeared in text-books. As a rule, only the commonest kinds of insects are referred to in the text, in order that the reader may easily use the text as a guide to personal observation. All the illustrations have been prepared by the author, and such as have been copied from other works are duly credited. To Dr. S. A. Forbes the author is especially indebted for the use of literature, specimens and drawings belonging to the Illinois State Laboratory of Natural History. Permission to copy several illustrations from Government publications was received from Dr. L....
