Thomas Nelson on Brilliance Audio, 2015. CD-Audio. Condition: New. Abridged edition. Language: English . Brand New. I never liked jazz music because jazz music doesn t resolve. But sometimes you have to watch somebody love something before you can love it yourself.I used to not like God because God didn t resolve. But that was before any of this happened. --Donald Miller **BLUE LIKE JAZZ** Don Miller writes like a good improv solo-smooth, sweet, surprising, uplifting, and full of soul and fury and joy. When I finished the last page, I felt warmed, full of hope, and confident that this great book will echo with beauty in many, many lives just as it is doing in mine. --Brian McLaren, author of *A New Kind of Christian* It s hard to find people who write about God from a position of commitment but still sound as if they re being human and honest.Donald Miller is such a person. --John Ortberg Don Miller has achieved what every Christian writer toils and types for: spiritual relevancy. He has completely revealed himself in his latest effort. Laced with off-guard humor, biting insights, and to-the-point summaries, **Blue Like Jazz** is a thought-provoking journey toward a God who is not only real but reachable. --David Allen, *HM Magazine* For anyone wondering if the Christian faith is still relevant in a postmodern culture, For anyone thirsting for a genuine encounter with a God who is real, For anyone yearning for a renewed sense of passion in life. **Blue Like Jazz** is a fresh and original perspective on life, love, and redemption.
