## Mescal Buttons: Anhalonium Lewinii-Hennings (Lophophora Williamsii Lewinii-Coulter) (Classic Reprint) (Paperback)

By D W Prentiss

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Mescal Buttons: Anhalonium Lewinii-Hennings (Lophophora Williamsii Lewinii-Coulter) The button is somewhat brittle and hard and can be pulverized in a mortar with difficulty. In the mouth, however, under the action of the saliva, it swells and rapidly becomes soft, the consistency which it acquires giving somewhat the sensation imparted by slippery elm. The taste is disagreeable and nauseous and very bitter, with a persistent after-taste. A marked sensation of stinging or tingling is produced in the fauces, which remains for some time after the drug has been swallowed. The powdered drug is odorless when dry, but acquires a nauseous odor upon being moistened. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. ### Reviews

*This is the finest book i have got study till now. It usually does not price a lot of. I found out this publication from my and dad encouraged this book to understand.*

-- Jamil Collins

*Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be the finest book for ever.*

-- Brian Bauch
