Summary: "Raphael's magnificently odd book does not skimp on details about the life of Josephus . . . but the real focus is on his legacy. . . . Raphael transform Josephus, the thinking person's Judas, into a figure of tragic grandeur and connects him with a wide of range of other Jewish writers, artists, scapegoats from Baruch Spinoza, Alfred Dreyfus, and Leon Trotsky to Isaac Babel, Walter Benjamin, and Joseph Roth. . . . [An] erudite book. . . . When Raphael imagines Josephus . . . his subject, to say nothing of his subject's quandary, feels newly strange and complicated." -Tom Bissell, Harper's "To recalibrate Josephus' legacy in modern times, the screenwriter and novelist Frederic Raphael, who was trained in classics at Cambridge University, has written A Jew Among Romans , an eloquent appraisal of Josephus. In the book's first part, he skillfully recounts the transformation of Joseph ben Mattathias, a descendant of priests, into Titus Flavius Josephus, confidant of emperors. . . . As Mr. Raphael's sharply etched account makes clear, the turncoat Josephus may have been a 'sponsored propagandist.' . . ."
