

The Bomb Girls (Paperback)

Filesize: 4.81 MB

Reviews

It is one of the best books. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dr. Barney Robel Jr.)

Penguin Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. On an ordinary day in 1941, a letter arrives on the doormats of five young women, a letter which will change everything. Lillian is distraught. And whether she tears, hides or burns the letter the words remain the same - she must register for compulsory war work. Many miles away, Emily is also furious - her dream job as a chef will have to be put on hold, whilst studious Alice must abandon her plans of college. Staring at an identical letter, Elsie feels a kindling of hope at the possibility of leaving behind her brutal father. And down in London, Agnes has her own reasons for packing her bags with a smile. Brought together at a munitions factory in a Lancashire mill town, none of them knows what lies ahead. Sharing grief and joy, lost dreams and gained opportunities, the five new bomb girls will find friendship and strength that they never before thought possible as they unite to help the country they love survive. Praise for Daisy Styles A great read that I think will appeal to fans of wartime sagas and authors like Donna Douglas . . . From dances to disasters, encounters with handsome Yanks, rationing and relationships, The Bomb Girls has all the ingredients of an excellent wartime drama and I thoroughly enjoyed it! The story is full of drama, love, heartbreak, friendship and in some part some comedy . . . It's full of twist and turns and is a real page turner Laurahbookblog.
