Hyperion, United States, 2009. Paperback. Book Condition: New. Adam Rex (illustrator). Reprint. 188 x 132 mm. Language: English . Brand New Book. It all starts with a school essay. When twelve-year-old Gratuity (Tip) Tucci is assigned to write five pages on The True Meaning of Smekday for the National Time Capsule contest, she s not sure where to begin. When her mom started telling everyone about the messages aliens were sending through a mole on the back of her neck? Maybe on Christmas Eve, when huge, bizarre spaceships descended on the Earth and the aliens-called Boov-abducted her mother? Or when the Boov declared Earth a colony, renamed it Smekland (in honor of glorious Captain Smek), and forced all Americans to relocate to Florida via rocketpod? In any case, Gratuity s story is much, much bigger than the assignment. It involves her unlikely friendship with a renegade Boov mechanic named J.Lo.; a futile journey south to find Gratuity s mother at the Happy Mouse Kingdom; a cross-country road trip in a hovercar called Slushious; and an outrageous plan to save the Earth from yet another alien invasion. Fully illustrated with photos, drawings, newspaper clippings, and comics sequences, this is a hilarious, perceptive, genre-bending novel from best-selling author Adam Rex.
