BENDING OVER BACKWARDS: ESSAYS ON DISABILITY AND THE BODY (PAPERBACK)

New York University Press, United States, 2002. Paperback. Condition: New. New. Language: English . Brand New Book. With the advent of the human genome, cloning, stem-cell research and many other developments in the way we think of the body, disability studies provides an entirely new way of thinking about the body in its relation to politics, the environment, the legal system, and global economies. Bending Over Backwards reexamines issues concerning the relationship between disability and normality in the light of...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.

-- **Miss Alisa Toy**

This is the very best ebook i have got study until now. This is for those who statte there had not been a worth reading. You can expect to like the way the writer write this book.

-- **Jeffrey Ritchie**

Absolutely among the best publication I have at any time go through. It is definitely basic but shocks from the 50 % of the book. I discovered this book from my i and dad advised this publication to find out.
