Brand New Book ***** Print on Demand *****.Excerpt from What s the Matter With America: The Meaning of the Progressive Movement and the Rise of the New Party There is a great deal going on to-day which savors of mystery and passes the comprehension of some men s minds. Whether we are reactionaries or radicals, whether we stand together on platitudes and conventions or unite in the free masonry of facts, we all feel that vast forces are at work in America which we do not entirely understand, and whose power and direction no one has been able to measure with accuracy. The American people, said a college president in a memorable baccalaureate address, is forever embarking with all sails set - for nowhere. Not long ago an Englishman, H.G. Wells, in his notes on America, said that in spite of the impressive and apparently irresistible energy which he saw everywhere, he could find no trace of a national purpose, no evidence that our people were trying to make their country different or better than it was. Is this true? Are we a purposeless people, a nation of agitators enamored of strife and motion for its own sake? Is our agitation and motion merely rotary, or, through the length and breadth of our history, has it followed a definite purpose? And, above all, what is that purpose, and how are we seeking its accomplishment to-day? The world stands aside for those who know where they are going. At this time of great national change and pressure, it behooves every thoughtful American to ascertain for himself the meaning of the events which are happening around him. Mr. President, said a young American in his speech...
