*This publication is fantastic. We have read through and I am certain that I will planning to read yet again yet again down the road. You won't feel monotony at any time of your respective time (that's what catalogs are for concerning when you request me).*

## GONZALO CASTELLANOS-YUMAR'S CONCERTO FOR VIOLA AND ORCHESTRA (2003)

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Phenomenological and Traditional Analysis of the Concerto with Consideration of its Stylized Venezuelan Folk Rhythms | The purpose of this book is to provide an overview of the musical form and stylized rhythms present in Gonzalo Castellanos-Yumar's Concerto for Viola and Orchestra, his last symphonic composition to date. Castellanos-Yumar has repeatedly stated that he creates in his music a link between "the Venezuelan" and "the Universal" through traditional musical forms. The core of this work is my analysis of the Concerto for Viola and Orchestra through the composer's phenomenological approach to music, which successfully integrates a traditional musical form, such as the Concerto, with stylized Venezuelan folk rhythms in order to bring "the Venezuelan" into "the Universal". Also, it includes an overview of nationalism in Venezuelan music, an updated biography, a list of works of the composer, and an introduction to phenomenology, its application to music and its relation to the work of Gonzalo Castellanos-Yumar, specifically his viola concerto. | Format: Paperback | Language/Sprache: english | 96 pp.
