## Enterprise Integration: The Essential Guide to Integration Solutions (Mixed media product)

By Beth Gold-Bernstein, William A. Ruh

Pearson Education (US), United States, 2004. Mixed media product. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The book's use of real-world case study vignettes really does go to the heart of the subject matter. This stuff is real, it has real applicability to real problems, and, as with most things in life, it shows how it all comes down to real money in the final analysis. This book shows you what your peers are doing to drive costs out of integration projects and to build new applications without re-inventing the entire wheel-just a few new spokes and off you go. This is a good book. Read it. -Peter Rhys Jenkins, Complex Systems Architect, Candle Corporation When you get two long-term, acknowledged experts on integration and interoperability together to lay out the current state of the IT universe you expect an immediate return on investment-and this book delivers. It's common knowledge that 90 of total software lifecycle cost is in maintenance and integration, and that needs to drive IT decision-making. With comprehensive coverage of the integration technology landscape, and clear case studies presented at every turn, this book belongs on every IT manager...
