When Dr. Rick Goodman proposes to his sixteen-year-old daughter Jamie that they spend a month together bonding in Europe, she is excited yet skeptical! That's when Dad dropped the bomb! This Journey would take place only if all of today's modern technology and distractions were removed! Starting from St. Louis with stops in Chicago, London, Paris, Florence, Venice, Tuscany, Rome and finally Israel, the relationship evolves and the fun never stops! Jamie's Journey teaches us the importance of connecting and communicating with our children—with the absence of today's technology. Jamie shares her Gems of advice to other teens and parents about the life-long rewards of truly spending time and connecting with our parents and friends! Jamie Goodman Testimonials A valiant first effort by a rising young star. Look for big things from her. - Randy Gage, Author of the New York Times bestseller, *Risky Is the New Safe* Jamie takes us inside the mind of today's teens and demonstrates the importance of spending more time with our children, building relationships and memories that will last a lifetime....

### Reviews

*This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).*
