Work and People: An Economic Evaluation of Job Enrichment (Hardback)

By Henri Savall

Information Age Publishing, United States, 2010. Hardback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. The reprint of Henri Savall's classic *Work and People*, originally published in French in 1974, is part of the Research in Management Consulting series effort to look backward as well as forward in examining trends, perspectives, and insights - especially from different countries and cultures - into the world of management consulting. Savall's insights into the complexity of organizational life were groundbreaking, articulating the need to examine both economic and social factors as part of the same analysis, assessing technical and behavioral patterns through the lens of an integrated framework. As he has argued, there is a double-loop interaction between the quality of functioning and economic performance, and underestimating this socio-economic tension leads inevitably to reduced performance and losses, which he refers to as hidden costs. This approach, referred to as the socio-economic approach to management (SEAM), has significant potential for our thinking about organizational diagnosis and intervention. As Savall emphasizes, the North American tendency to cast people as human resources misses the essential point that human beings cannot be considered as simply another resource at the organization...

Reviews

I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.

-- Merritt Kilback II

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
