Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In January 2011 I decided to try my next diet. I had been exploring different diets for about 20 years by this point but this next one was different. This one made sense, common sense. I had already been a big proponent of getting back to our roots and getting as natural as possible. I had also recently been exposed to the theory that the Agricultural Age was the beginning of the demise of mankind. Mass producing food just did not seem natural, and when I found that there was a way to eat that supported my beliefs, I was all in. Before I could finish The Paleo Solution by Robb Wolf, I was blasting all over social media about how this was the only way to eat. I was even, for a short while, the Paleo police and would criticize people who were not following the rules to a tee. Realizing I was being a jerk, I gave up my badge for the Paleo police but I continued making posts and bragging about my progress. I even started taking on personal training clients after taking a break for many years. To me, eating this way was the missing ingredient to my success as a personal trainer. Within six months of going paleo, I lost around 35 pounds, dropped to a weight I had never seen as an adult, and accomplished things I never thought I could do, like run four miles barefoot and do pull-ups and ring dips. The transformation was amazing. Over the years I've received several inquiries from friends and family on Facebook asking how I achieved these results. My advice was simple: eat these foods, don t...
