Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Hi, my name is Michele and on February 1, 2015, I died. I suffered a massive heart attack, commonly referred to as the widow maker. Obviously, I was resuscitated, had 2 stents put in, and placed in a medically induced coma. The coma was to last 16-18 hours. I took a 22-day long nap. This is my story of hope and faith and love. I want to share with you my little taste of Heaven and the miracle of my full recovery. I promise not to take too much of your time and hopefully you'll feel uplifted by the power of a great and miraculous God. This is a true story. No glamorous special effects.
