Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A completely new review of the soul is now derived from a common inheritance of the ancient heritage and mysticism, as well as the personal experiences of the author. The divine Absolute as everything-that-is expresses itself as the everything-that-can-be. It does so by means of the process of individuation. The first individuation of the awareness of the Absolute itself is the monad of consciousness known to us as the soul. Souls are monads of the consciousness of the divine Absolute, its individual emanation or manifesting. These monads of the divine consciousness or souls create all the potential life forms in order to be able to express all the potentials of the divine Absolute. They create cosmos and all the life in it. Every soul individualizes further so as to experience all the possibilities of life in a finer and more accurate way. The final or the finishing individuation of the awareness of the soul takes place in the shape of man's being and life. Individual souls get incarnated and begin to gather various impressions while going through the drama of life in Earth and the consciousness of those impressions they bring back to the divine Absolute as the awareness of the very existence, as its awareness of itself. At the end of the reincarnation cycle, once they have learnt the very meaning of the existence, souls go back to its source, to what they actually are, to the divine Absolute, although this is what they have been all along during the course of their illusory existence, for nothing at all is possible outside the divine Absolute. Everything is merely it itself. In the soul of man this knowing is manifested in...
