AN ISLAND IN THE STARS (PAPERBACK)

Dreamspinner Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sam, a geeky college freshman, has bigger problems than lusting after Marcus, sexy jock, college junior, and his big brother's best friend. Chasing after a beanie caught in the winter wind turns into a tumble down the rabbit hole for them both--science fiction style. Sam and Marcus find themselves trapped on a tropical island in the middle of a strange ocean on an alien moon. The sole structure is a ruined temple devoted to the art of love. Flustered, confused, and unable to return home, they need to figure out a means of escape from a hostile jungle teeming with dangerous life-forms. In this tale where opposites attract and secret crushes are revealed, two very dissimilar young men discover they actually have a lot in common after all, but it will take their differences as much as their points of connection to survive on an island in the stars.
