

Gould s Pathophysiology for the Health Professions (Paperback)

By Hubert, Vanmeter

Elsevier - Health Sciences Division, United States, 2018. Paperback. Condition: New. 6th Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Learn the essential concepts of major diseases/disorders and disease processes. Gould s Pathophysiology for the Health Professions, 6th Edition is a concise, easy-to-understand introduction to the fundamentals of pathophysiology. Continuing in its well-known tradition of readability and vivid, full-color illustrations, the text is updated with the latest research and trends in human disease. Disorders are described by body system, with coverage of the interactions between systems, and special features help you to apply the material to real-life situations. No matter which healthcare field you may enter, this book provides solid preparation for the conditions you may encounter in clinical practice. Updated graphics help you recognize and identify various concepts and specific disorders through enhanced flowcharts, photos, and illustrations. Concise and readable approach includes the information you need without overwhelming you, even if you have a limited scientific background. Format for individual disorder discussions includes 1) background, 2) pathophysiology, 3) etiology, 4) signs and symptoms, 5) diagnoses, 6) possible related complications/disorders, and...

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
