

Scientific Adventures of Baron Munchausen

By Hugo Gernsback

Apogee Books Science Fiction, Canada, 2010. Paperback. Book Condition: New. Abridged. 170 x 104 mm. Language: English . Brand New Book. The 18th-century German folk hero, Baron Munchausen, is the protagonist in this classic science fiction tale. Braving the depths of space to explore the moon and Mars, the Baron discovers that the Martians make use of a variety of devices such as telepathy machines and molecular disintegrators. Many of the gadgets appearing in this story have since been adopted as standard science fiction elements used by other writers. Collected for the first time from the pages of Electrical Experimenter magazine, this is the sole edition of the Munchausen story serialized by Gernsback. It includes all the original illustrations as well as an astute afterword showcasing Gernsback's clear influence on science fiction in the 20th century.
