Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Revised, Expanded. Language: English . Brand New Book ***** Print on Demand *****. Second Edition: Revised Expanded 2010 2010-2014 Reviews by Buyers Bill is . an expert incredibly versed in the uses and cultivation, both historically and in modernity in a myriad of other entheogenic plants and substances. Take for example his recently revised manual: The International Cultivators Handbook: Hashish, Coca, and Opium. One quick look at this book will reveal to you the breadth of Bill s valuable Shamanic knowledge and how it can be adapted the times of crisis that are soon and sure to come to our country. Throughout the book Bill places a deep emphasis on focusing solely on the raw product of these historic Third Eye Opening plants as opposed to the highly concentrated derivatives or low quality drug dealer/government cartel supply derived thereof, and for good reason; it s time that both the laws were changed via the flow of information and time we realize just where the cartels make their connections. Bill also does a fantastic job of highlighting historical texts in each chapter discussing the legitimate medical research and medical uses of each substance on the list with information which will absolutely blow your mind! I found the book a very good source of information. From the scientific to the poetic. Quick shipping and a great read! Anyone who has an interest in medicinal herbs, Shamanism, or Ethnogens . would do well to add this one to their collection. It is a fantastic addition to the library of the supernaut, historian, shaman, or survivalist. 5 of 5. (Excerpt from the 1974 Rolling Stone review) Hundreds of thousands of people have become experts in the most joyful of horticultural pursuits thanks to Bill...
